

Course 4190.408.001

Artificial Intelligence

Homework 1

March 6, 2017

Due date: March 29, 2017, 23:59

Below questions here are selected from the textbook. Find the EXERCISES in your textbook and write the correct answer. The most recommended method is to write the answer by hand and scan it. Also, you can submit it by working with Word, Latex, and so on. Your documents should be submitted as a **single pdf** file named “hw1_STUDENT-ID.pdf”. For example, hw1_2017-00000.pdf. Email your pdf file to ta.4ai18s@gmail.com with title as “HW1, STUDENT-ID, name”. There is a penalty for inappropriate format, so please submit the homework with specified format. There are three late days for all the homework assignments. After using all late days, credits will be half every one day.

- 1.7, 1.11, 1.12, 1.13, 1.14
- 2.1, 2.4, 2.5, 2.7, 2.8
- 3.15, 3.19, 3.22, 3.24, 3.32
- 4.1
- 5.2, 5.15, 5.21

Notice

- Please write two A4 pages in one chapter. (5 chapter → at most 10 pages)
- Due date is one week after noticing chapter 5 exercises.
